

The Friends and Relationships Course (FRC) is designed to strengthen the knowledge, skills, and resources of people with intellectual and developmental disabilities. We aim to bring fulfillment and satisfaction to their lives and increase their participation in community life.

FRC Goals

✓ Increase social networks with healthy, meaningful relationships

✓ Increase personal safety

✓ Broaden social connections

✓ Learn about friendships and romantic relationships

✓ Plan get togethers

✓ Practice speaking up assertively

✓ Introduction to sexual health and wellness topics
